

Added Value Presentations by Retired FBI Agent Jeff Lanza

An FBI Special Agent who learned the tricks of the criminal mind, uses real life FBI cases to inform, entertain and keep people safe in a world of new and emerging threats. Jeff provides compelling presentations for financial advisors and their clients.

Jeff Lanza is a retired FBI agent, author and an expert in identity theft prevention and cyber security. He is a compelling and dynamic speaker who holds an audience's attention with his excellent delivery, humor and in-depth knowledge of important and timely topics for financial advisors and their clients.

During his FBI career, Jeff's expertise and delivery style was evident during his appearances on the Today Show, Good Morning America, Larry King Live, CNN and many others.

When he takes the microphone at your client event, you can be confident that you are in for an informative and entertaining presentation that will help your clients reduce and manage their personal risk.
